

Jeff Jordan's State Champ Camp, LLC

2009 Spring Folkstyle Camp

*Jeff Jordan's State Champ Camp, LLC, now offers Spring Folkstyle Clinics. This camp is designed to prepare wrestlers who are going to be competing in spring and summer folkstyle tournaments. We have camps for all ages, weights, and talent!

These camps are designed to introduce the basic techniques needed for wrestlers to win a state title and prepare for spring and summer competition. We will be covering the double leg, inside single, outside single and high crotch takedowns. Along with these techniques we will emphasize the set-ups and finishes to each shot. All of these takedowns will be incorporated into a drilling workout that is extremely intense. If you are interested in attending any of these weekend camps, we strongly urge you to get your application in immediately to help reserve a spot for you. We look forward to training you in your quest to be the ultimate... STATE CHAMPION!
