2009 Spring FREESTYLE CAMP

*Jeff Jordan's State Champ Camp, LLC, now offers Spring Freestyle Clinics. This camp is designed to prepare wrestlers who are going to be competing in spring and summer freestyle tournaments. We have camps for all ages, weights, and talent!

This camp will cover the basic freestyle techniques that are essential to being competitive in State and National Tournaments. The techniques covered will include neutral as well as the top/bottom positions. We will be incorporating these techniques into intense drilling workouts. We will be wrestling between 25-30 matches throughout the camp. All of these matches will be freestyle. If you are interested in attending this camp we strongly recommend that you get your application in immediately to reserve a spot for you. Looking forward to training with you in your quest to be the best!
