OUR GOAL

The **Team Jordan Elite** club is designed to provide the committed wrestler with the opportunity to train at a serious level. **Team Jordan's** (the original club) emphasis is primarily on live wrestling. However, **Team Jordan Elite's** major emphasis is on more advanced technique and hard intense drilling, the skills that are essential for success at an advanced level of wrestling. The **Team Jordan Elite** club will consist of wrestlers who have demonstrated success on the mat and a willingness to compete at an intense level. Advanced technique and intense drilling will be the main focus of this club which has helped produce over 600 state champions and the 1998, 01, 02, 03, 04, 05, 06, 07, 08, 09, 10, 11 state team title in Ohio, as well as the 2008 & 2010 National Championship Team. This club will allow you to be trained by the best and give you the opportunity to compete against the best wrestlers throughout the state on a weekly basis. This is an intensive 3 month club designed for the wrestler whose goal is to be a **State Champion!**

- The club has limited availability so get your application in ASAP.
- Wrestlers must be willing to train at a serious level.
- Intense drilling and advanced technique will be the primary focus of this club.
