

Jeff Jordan's State Champ Camp LLC 2009 Fall Clinics

Jeff Jordan's State Champ Camp, LLC, offers Fall Clinics which are designed for a review of what was covered in the summer camps: the basic techniques needed for wrestlers to win a state title. These techniques deal primarily with takedowns. We will be covering the double leg, inside single, outside single, and high crotch. Along with these techniques we will emphasize the set-ups and finishes to these shots. All takedowns will be incorporated into a drilling workout that is extremely intense. If you would like to attend any of the weekend camps we strongly urge you to get your application in immediately to help reserve a spot for you. We are looking forward to training you in your quest to be the ultimate...A State Champion!
